

WAYUMI EXPEDITION FAQ

1. **Why Wayumi Expedition?** We want you to consider this program an educational missions trip for the church. Our goal is to challenge the future church planter to the task God has commanded us to do and challenge the rest of the church to join God where He is working around the world.
2. **Will we be eating grub worms?** Only one, JK. No, we serve great food in the dining hall, no grubs or bugs are on the menu. Aside from an excellent program, food is the second highest praise we receive!
3. **Where do we sleep?** In rustic cabins in Jungle Camp, sleeping in hammocks. Campers will need a sleeping bag to use in their hammock. For additional adults (other than required chaperones) other accommodations may be available upon request.
4. **How many participants can you house?** We can accommodate up to 75 attendees during our programs. Jungle Camp cabins hold a maximum of 12 (2 adults + 10 campers). We require a minimum of 2 adults per gender with a ratio of 1:5 adult to students per gender to attend with the students in Jungle Camp.
5. **Who can attend?** Our target audience is Senior High youth groups (9-12th grade) accompanied by youth leaders/chaperones. We encourage churches to bring parents, pastors, and the missions committee to attend and participate as well. Our desire is to reach the church at large.
6. **Can a High School student come alone?** The program is intended for groups with adult leaders and chaperones. But any high school student can attend Expedition with a chaperone willing to stay with him/her.
7. **Is there a minimum number of campers?** No. But our adult to chaperone minimum must be met.

11. **How is Wayumi Expedition different from other camps?** Our focus is completely on the mission God gave us - reaching the lost.

12. **What are the leaders/chaperones responsible for?** The basic idea is: **be present with your students.** Chaperones are responsible for the well-being of the student physically, spiritually and medically if need be. We expect chaperones or leaders to participate in the program with the students including sleeping in the cabins, attending the sessions and activities. Chaperones are not responsible to run any of the program activities. A full leaders expectations document is sent to group leaders and is available upon request prior to registering.
